

## Biography

Dr. Andrea Mosler is a Specialist Sports Physiotherapist and NHMRC Research Fellow at La Trobe University where she is currently working on hip-related groin pain, injury prevention, and women in sport research projects. Her PhD research was conducted while she worked at Aspetar, Qatar as Senior Physiotherapist and Head of CME/CPD and investigated the risk factors for hip and groin pain in professional male football players. Andrea previously worked as a clinician for 18 years at the Australian Institute of Sport and has been an Australian team physiotherapist at many sporting events including the 2000, 2004 and 2008 Olympics Games.
